#### Gower Edge Guest Book

---

Guest reviews are increasingly important in making big decisions about holidays. We've recently filled our first Guest Book at the house, so we decided to share the kind comments of our guests here. Hopefully their views will give you an idea of the strong points of the house and the area, and we hope they will help you decide that you would like to visit. Maybe you'll be leaving nice comments yourself soon!

This is the full and unexpurgated version of our guest book at the house and comments are in reverse order, so most recent first. Find further information about the house via the Accommodation menu above or contact us on the form opposite to book your holiday dates.

*We had a fab week here. The house is fantastic. The children loved the toys and games and the adults just enjoyed being away from home (in a home from home). Thanks.*

*I had a lovely time and saw the boats.*

*We have had a wonderful weekend break in this lovely spacious family house. Our daughter competed in the Welsh National Swimming Competition and between races we enjoyed the beautiful weather. Walks on the stunning beach, ice creams at Joe's and dinner in Mumbles. Hard to fault it!*

*Great time had by all. House plenty big enough for us all to have our space when needed. Dogs very happy here too. David next door was lovely, and even put our rubbish out for us on Thursday night. Everyone at the SPAR was entertaining and helpful, especially when we needed a vet for our old Labrador. I would highly recommend Gower Vets, Upper Killay. We planned our week around the weather forecast and had a fantastic time. Loved the dog friendly beaches, kids thought learning to surf was "cool" and the Brecon Beacons were fabulous as ever. Thank you.*

*More than ideal for our visit. So much more to see and do from the comfort of this well equipped and placed house. Thanks.*

*A house with everything you would wish for. A real home from home. Weather mainly overcast, but one day was lovely and we had that on the beach. Mumbles is a lovely little village. Dog loved it here, although he did keep escaping from the garden even though we were sitting in it. Thank you for such a fantastic house.*

*What a wonderful house! Had a brilliant time and met lots of old friends and colleagues. The weather was really good! Even back home they had a 35 degree heat wave. The only downside was that we didn't have the dogs with us. --- Next time!*

*A simply wonderful holiday revisiting all our favourite Gower places including Oxwich, Worms Head, Rhossili, Mumbles, Llangland Bay, Caswell, Three Cliffs, Pennard etc etc. Weather was very kind while rumours of pouring rain in London and Bristol. Very friendly neighbours and SPAR shop family. Will recommend definitely. (Toy's were great! Love 2.5 yr old son)*

*Had a lovely stay while visiting the Eisteddfod. the house was great and we enjoyed the space.*

*The house is great, big and comfy. Lots of activities provided in case of wet days - turned out to be very useful! Easy to reach anywhere of interest - Oxwich Bay was lovely. Thank you for a lovely time!*

*Third time here, still just as good. Beaches wonderful, weather was not so good, but the house has so much to entertain us, and plenty of cinemas, pools, bowling etc in Swansea. Thanks again. Back next year.*

*Lovely very large house which was just as well as it rained for practically the whole fortnight!! Even so, the area is lovely and we did manage to get a couple of days on the beach. Llangland Bay is beautiful and a great beach to enjoy, with rocks for climbing and a cafe for refreshments. We would highly recommend it. The National Show Caves of Wales are a fantastic day out and we have left our voucher for the next guests to enjoy £10 off if they decide to visit it too.*

*Lots of room which made us have an enjoyable weekend. good facilities and nice garden area. Would recommend and come back again.*

*Wonderful house - lots of room for us all to spread out so didn't matter about all the rain. Looking forward to being able to come back again.*

*Had a very enjoyable stay in this lovely well equipped house. The garden is beautiful and the raspberries gorgeous!! Spent time revisiting favourite places and visiting family. Our dog had a great time too.*

*We've had a fantastic stay. Very well equipped and comfortable house. Fun days on the beach and great weather. Great place! Thanks for letting us stay, hopefully we'll be back.*

*Wonderful huge house. We had a fantastic time here, and would like to visit again. The weather was on our side so we had plenty of days down at Caswell and Llangland Bays. the children had a truly wonderful time with all the games, books and toys, and of course the slide outside. It was a wonderful first time here in Wales. Thank you so much.*

*What a lovely house to enjoy a weekend away! Our dog doesn't totally agree that the garden is secure but he loved laying in the sun while we watched him! Lots of lovely walks and a great place to "come home" too. Next door neighbours were a bonus - they left us a torch when we arrived in the dark! One of our foster children saw the sea for the first time this weekend - Thank you.*

*House is massive! We had a great time and there was even sunshine!*

*Had a lovely Christmas here with the family. Its our second Christmas staying here and we all really enjoyed it.*

*The house has a perfect location - set on the edge of the glorious landscape of the Gower Peninsula - we walked every day, sometimes only to the SPAR, but mostly along the coast - the Mewslade/Pilton coast is astonishing. There were eight of us, we needed a big house and the copious hot water was appreciated. TV reception is rubbish, but we were grateful it was - we didn't come here to watch television. From Oxwich to Rhosilli, Gower is a precious jewel on the hairy bottom of South Wales. We loved it! (PS Please get a decent cafetiere). (SM Response: Re TV - I think the digibox must have been switched off! Auto tune is really easy - see booklet)*

*We all had a lovely time here. Very comfortable and were made to feel very welcome by the locals. The dogs loved the back garden and we humans had tons of space. Thank you for a lovely holiday, we are all keen to return.*

*Had a great time and the house is a home from home! Thank you all.*

*Another enjoyable year. Weather not too good but still had a great time.*

*It was so fantastic here that we returned for our summer holiday. This house still lives up to all our expectations and more. It is really clean and comfortable. Gower is lovely and the people are so friendly, we will definitely be coming here again. Even the weather wasn't as bad as the forecast said it would be and it was really hot on the beach. Thank you so much. PS Just had an Indian takeaway from Zeera at the bottom of the hill. It was fantastic.*

*Had a great week, weather much improved - chilled out. What a great, roomy, convenient house - and of course the garden. Really enjoyed.*

*Lovely roomy house. Great location to visit the lovely welsh sites. Housed many wedding guests! David next door very friendly. Thanks. House very well resourced with books, toys and games.*

*Spent a lovely week - just one really wet day - plenty to do in Swansea when it is raining. The dogs enjoyed some lovely walks and the boys enjoyed the beach. Thank you!*

*Lovely, spacious house, very very friendly locals, especially the Spar shop and David next door. *Great house and an ideal spot to explore the Gower! We liked the way the kids could be rocking out in the front room but the adults couldn't hear them in the conservatory. Ho ho! Unperturbed by the welsh "summer" we still had an excellent holiday and a comfortable stay! Many thanks" PS Zeera is a great indian takeaway. PPS Thanks to David next door for being so friendly!*

*Had a brilliant time. shame about the weather! The house is huge! We visited Caswell Bay nearly every day, and it was great, especially for surfing and body-boarding. We even got a tan on our last day there! Bit of a leak in one of the rooms (the "sea" style room) but overall A GREAT STAY!! Thanks (SM response: leak sorted)*

*A very comfortable house with plenty of room. We all had a very enjoyable holiday.*

*Three families stayed here for a week and the space of the house fulfilled our needs. we all had a really nice time here.*

*Really enjoyed the holiday. Weather not so good but the house was so large all the family had a good time. The children especially enjoyed all the games and videos - just like home from home.*

*Thank you for letting us share your home for our holiday. It has a lovely bright and airy atmosphere! We have enjoyed our stay, wether mixed but very windy! Thoroughly enjoyable time - our visit was the "annual meet" of six cousins.*
